

Control your shipments from abroad

Express Import services

Take control of your import shipments.

Have them brought directly to you.

Express Import is TNT's receiver-controlled shipping service. It lets you pull shipments to you rather than waiting for them to be sent.

You get full control over your shipments from abroad: collection from 168 countries, customs clearance, delivery to your doorstep and billing in your own currency.

And our new online system makes arranging collection from all over the world even easier.

Choose when and how goods are collected and delivered.

Options for every timeline and budget.

Whether it's a document, a parcel or a pallet, no other provider offers you more collection and delivery options than TNT. Need it tomorrow? Sure we can. Savings a higher priority than speed? We've got a service for that too.

Express Import is available on our full range of services.

When you need it collected fast

9:00 Express

Guaranteed delivery by 9:00 am on the next or earliest possible business day.

10:00 Express

Guaranteed delivery by 10:00 am on the next or earliest possible business day.

12:00 Express

Guaranteed delivery by noon on the next or earliest possible business day.

Express

Delivery before close of business on the next or earliest possible business day.

When you want savings over speed

Economy Express

Economical, day-definite delivery to most destinations worldwide for less urgent parcels and freight.

12:00 Economy Express

Guaranteed delivery before noon on a specified day to major cities across Europe. This service utilises the fastest road network in Europe.

Bring the world to your doorstep.

Our new online system makes it easy.

The Express Import system is featured in TNT shipping tools on tnt.com and gives you full visibility across the booking process.

You get control...

- **24/7 availability** – Your data is available around the clock.
- **quote approval** – Check prices before you ship, or skip the process to save time.
- **support on hand** – TNT representatives can log in and assist you.
- **collection overview** – See the status of all your collections anytime.

...and convenience:

- **built-in address book** – Never retype an address.
- **fast and easy re-ordering** – No need to call customer service.
- **e-mail notifications** – Click and go directly to the system.

Benefit on both ends.

Receivers and senders both win.

When you choose Express Import from TNT, you get:

- TNT's high-quality shipping
- Superb customer service in your own language
- One account number for collections and deliveries
- Billing in your own currency
- A user-friendly online system
- Full visibility with track and trace

And senders benefit too. They get:

- No outgoing payments
- An e-mailed consignment note to attach to the shipment
- A commercial invoice for customs clearance
- E-mailed shipment orders for reference
