

TNT INTERNATIONAL SERVICES
INTERNATIONAL
SERVICES CENTRE

TNT offers a dedicated team of International freight specialists in our International Services Centre who have the expertise to handle all types of international requirements from business critical (machine down, AOG, VOR), international charter, part charter and dangerous goods.

TNT INTERNATIONAL SERVICES

INTERNATIONAL SERVICES CENTRE

TNT's International Services Centre (ISC) provides you with a team of Air and Sea Freight experts, dedicated to finding a way to ensure that all your freight can be moved. We specialise in:

- **Shipments over 200kgs**
- **Critical (next flight out)/temperature controlled shipments**
- **Over dimensional/awkward shipments**
- **Dangerous Goods shipments**
- **3rd Party shipments**
- **Aircraft charters**
(all types international)
- **On board courier**
- **Shipments to Papua New Guinea**

The ISC team offers a reactive quoting service, allowing for the best price on the day. The team will consider door-to-door or door-to-airport / port options, tailoring a solution and quote to meet your needs.

Choosing a transport company that suits your business means finding a provider that offers a range of flexible transportation services allowing you to choose the speed and cost options that suit your requirements. TNT offers you:

- **Flexibility and Choice**
- **Trade Lane Leadership**
- **Friendly and Knowledgeable staff**
- **Strength and Reliability**
- **Visibility and Control**
- **Proactive monitoring of all time-critical consignments**
- **One invoice**
